SUBJ : Senate Armed Services Committee Scheduling Hearings on
Intelligence

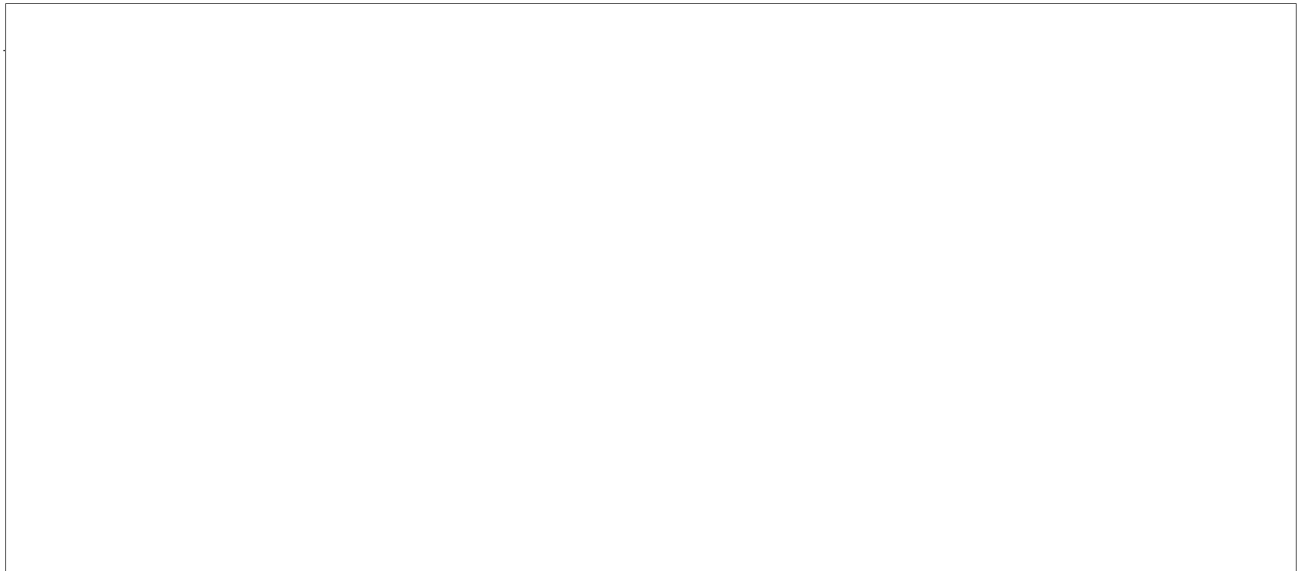

1. As I mentioned to you this morning, the SASC Subcommittee on Strategic & Theater Nuclear Forces, chaired by Sen. John Warner, is planning to hold hearings on intelligence matters. They have tentatively scheduled an overview hearing for March 17th, to which they will invite either the DCI or the DDCI (and they have indicated that they would like [redacted] there as witness or backup!)

STAT

2. Internal staff memoranda indicate that they are also scheduling hearings for individual programs. On the 10th of March they will hear from DIA; [redacted] will appear again that morning (although there is a schedule conflict with SSCI hearing [redacted]), and Don Latham is scheduled for the afternoon (TIARA).
